Note By Rick Hollman: In the Faith Camp teaching we studied John 9:1-41. Notice in John 9:1-4:

1. The man was born blind which means he inherited his blindness
2. The disciples asked who sinned, the man or his parents that he was born blind?
3. Jesus answered – neither
4. Putting all the pieces together, the man's blindness was a generational curse which is an ancestral sin, the inherited sin goes back more than one generation Num 14:18, Ex 20:5, Ex 34:7, Deut 5:9
