Problems in life (the Bible calls them curses) come in three basic areas:

1. Financial Problems
2. Relationship Problems
3. Sickness & Disease Problems

Sickness & Disease:

1. Presence of sickness and disease means you have demons in your life (body and soul, but not in your human spirit if born again)
2. Sin issues – unrecognized, unconfessed sin provide the demons with legal rights to remain in your body and soul to oppress, torment and afflict you (afflict: to distress with mental or bodily pain)
3. Jer 33:3 says to "call to Me and I will answer you and show you great and mighty things, fenced in *and* hidden, which you do not know (do not distinguish and recognize, have knowledge of and understand)."
4. Please note:
 - a. Your spouse can make you sick (ie., wife sinned and Moses nearly died Ex 4:24-26)
 - b. Parent's sin affects the next 3 to 4 generations (Ex 20:5, Deut 5:9, Ex 34:7, Num 14:18, and the curse of producing an illegitimate child lasts 10 generations Deut 23:2)
 - c. Curse comes upon the parent for failure to discipline their children (an example is Eli in 1 Sam 3:12-13)

Sin Issues:

1. Things done before you existed – ancestor's sin resulting in generational curses
2. Things done to you – from conception to age 13 (which includes prenatal while in the womb)
3. Things done by you – age 13 or older

Bible Basics

1. Get born again & water baptized as adult and adopt a Bible reading plan
2. Get delivered & inner healed
3. Get filled with Holy Spirit – spend time speaking in tongues
