## Session 2.2

1:07 we Americans, seems that Americans do not receive like at other places, Americans let things complicate their lives, so stop it

3:00 Dave had 600 people come to kill Dave, he asked them if they had enough army to do it, so a man with ak47 hit Dave and put it in his face, so Dave decided to play the game with them and said what if the Holy Spirit comes out of me like in the Bible and consumes all of you. Man was trying to squeeze the trigger and cannot pull the trigger, so Dave reached and grabbed the barrel and stuck it in his own mouth, another man takes machete and threatens to kill, then another threatens to kill with sticks, then another man threatens to kill him with a rope, then they started fighting among themselves and everybody started to walk off, so Dave yelled wait

8:01 so still a dozen men standing there, and one of them walked up and said this God of yours is powerful and I want Him and bowed down to receive Jesus

13:40 Dave enjoys confrontation

14:29 lady screams out that you Dave are a liar, and Dave said that opinion is from the devil

15:15 the lady accusing Dave of lying said because our church teaches that God stopped doing miracles, so he said your church leaders are lying to you. The liar is the demon, not God

16:40 if you believe all of this is a hoax, then why are you here, lady pointed to a blind lady sitting next to her,

18:15 Dave said, I do not know if God will heal you or not, whether He does or not, may I (Dave) try?

19:40 per Dave, about 50% of time, Jesus said according to your faith, the other 50% Jesus just said be healed

20:30 I will touch you with one finger, she said ok, nothing happened, Dave said I do not know what is going to happen, but God is in your life and He has brought you here. He kept praying for others, and all of a sudden the unbelievers with the blind woman were making noise, the blind lady grabs him because she could now see, after 25 years of being blind, she screamed I can see

22:40 but that is not the end of the story, next day on Sunday morning, she is at her own church, and the pastor says we do not believe in miracles, but she is going to tell you why she can see, she says I am sorry, but Dave from Mexico touched me with one finger and my eyes opened, another woman in the church who was blind 19 years just listening to the story, and she got her eyesight back,

24:27 but that is not the end of the story, so the pastor calls Dave and is upset with Dave because he said Dave tore up his church, Dave said you sound like the voice of the devil because I do not have to listen to false accusations, Dave said I did not tear up churches, I reconcile and restore them. Dave said Jesus healed them, Pastor said since those two got healed, there has been 30 instant miracles which I as pastor do not believe in.

26:28 So the pastor said revival has broke out, and I need you Dave to come help

26:40 but that is not the end of the story

27:30 was a church in Mississippi, of 800 people in church, already about 700 are filled with the Holy Ghost, so Dave prayed and more miracles happened

28:29 then the heads of all the other church denominations had showed up, so Dave preached and all those heads of other denominations were having a good time and hugging each other,

35:00 one man healed of Alzheimer, 45 students from school with cerebral palsy, and other mental problems, they all got healed,

37:00 if doctors have told you it is incurable, then come up on stage to be prayed for (or if you are not born again), come up on stage, God will touch us, has been seeing people get healed having herpes, hepatitis, arthritis, touch us Heaven, visitation come, saturation come, fire of God, receiving healing now in Jesus Name, be healed, be filled,
