1:44 Jesus gave Steve Hill a vision that false teaching has reached avalanche proportions

3:44 Mentored by past powerful men of God

4:55 We have to go to Jesus, we cannot wait for Jesus to come to us, we have to pursue God, not God pursue us

5:50 Steve started 13 churches and an orphanage

07:00 Argentina revival by Carlos Anaconda, one of the keys was casting out the demonic

7:50 for 5 years Steve preached at Pensacola, FL (Brownsville revival)

9:15 if you do not believe in the super natural, then you do not believe in Jesus

9:35 and the devil tried to kill Steve with cancer (must have been some sin issue like being in God's permissive will rather than perfect will, etc.)

10:24 supernatural vision from Jesus, saw a vision, ski resort, mountain of snow – too much snow, avalanche proportions

11:30 this mountain of snow is the false teaching in the church, ready to crash down on innocent Christians, people giving their tithes and offerings,

12:13 Bible college says as a Christian you are free to sin, sexual sin is ok, etc because the blood covers it,

12:45 we are worshipping man (church leaders, politicians)

13:08 our job is to destroy the avalanche (false teachings in the church) before it destroys a bunch of people

14:22 Steve just got this vision (not 5 years ago), this is for today, like right now

14:46 They die because they do not listen, don't go up to that mountain, but they go any way, and one hour later he is looking for their dead bodies, we are making same mistake spiritually

15:56 the avalanche probe is to find dead bodies

16:22 you know what you are doing is wrong, and you know what you are listening to is wrong because it is **feel good teaching**

16:31 get out of the church that does not preach what the consequences of sin are

17:11 false teaching is flooding the churches and air waves

17:45 wrote a book - the spiritual avalanche of false teachings

18:50 people look to God as their "gini in a bottle" rub it and ask God to give you something, come as you are, no need to find your sin, no need to repent, just ask and God will heal you or give you whatever you want, keep living the same sinful life

20:40 Steve has been doing ministry for 37 years

22:24 no distance in the spirit realm, can pray for someone over the phone,

25:11 you have to start moving, move forward in the things of God, cannot steer a car sitting still, go after God in worship and study the Bible, for yourself

Note from Rick: I grew up on a farm, for several years we raised sheep. Sheep are known for being very dumb, and they are very afraid, they group together when being attacked, the sheep on the outside of the group are easily taken, if just one sheep will go through a gate, the whole herd will follow regardless of what dangers lie ahead. So... sheep mentality is that if everyone else is doing it, it must be the right thing to do, just go with the flow, just stay in the group, stay in the main stream of what everyone else is doing, just blend in, just keep giving your tithes and offerings even if you know the church or ministry is not teaching the correct things – sad. **If 99 people are headed in a certain direction, my advice to you is to go the opposite direction.**
