At House Church Ministries For Jesus, we have a heart's desire to assist you with the help of the Lord, the Word of God, our professional training and life experiences. Therefore, our Tuesday evening Group Sessions are at no charge as a gift to the body of Christ. However, our Saturday one-on-one sessions require your financial support to keep this ministry continuing for you and for others.

If... your local church provides the same kind of Deliverance Ministry as House Church Ministries For Jesus, then you should continue to support your local church with your tithes and offerings. If... your local church does not provide the same kind of Deliverance Ministry as House Church Ministries For Jesus, then you have no choice but to re-route some of your tithes and offerings away from your current local church to House Church Ministries For Jesus so that we can provide you with the ministry that you deserve and need.

In other words, if a person's normal annual income is \$35,000, you would already be in the habit of tithing 10% to your local church (which would be \$3,500 = \$35,000 x .10). Therefore, instead of giving the entire \$3,500 to your local church, you would instead send \$550 to House Church Ministries For Jesus.

To say the same thing differently, if you are already giving \$3,500 each year to your local church, then by re-routing a small portion of your annual giving, you can at no extra cost receive the Deliverance Ministry that you deserve and need (but are not able to get from your existing local church).

For those who have lower incomes, the following sliding scale guide, based upon annual gross income, will assist you in determining a reasonable gift to this ministry for each counseling session:

<u>Total Annual Gross Income</u>	<u>5 Sessions</u>	<u>Total</u>
More than \$ 34,000/Year	\$110/Hour x 5 Hours	= \$ 550 per person
Less than \$ 34,000/Year	\$ 95/Hour x 5 Hours	= \$ 475 per person
Less than \$ 24,000/Year	\$ 75/Hour x 5 Hours	= \$ 375 per person
Less than \$ 18,000/Year	\$ 60/Hour x 5 Hours	= \$ 300 per person
